PRE TRADE TEST TRAINING

EOHCB is offering pre Trade Test Training for anyone who is interested. Jane Falconer has offered to do the training. She is on the EOHCB Committee and has been an examiner for many years and will teach and guide the students with the technical side of the Trade Test, eg. Perm winding, colour, pin curls, finger waves.

This will take place at Scott & Wells at Gateway on the following Tuesdays from 12 – 4pm.

2 March, 9 March, 16 March, 23 March.

It is essential that you bring a model and ALL the tools required for the exam or there is no point attending the course.

The costs is R100 for EOHCB Members and R200 for non-members. Please note this is a 4 week course and you need to attend all 4 dates.

To book please contact Tracy Corder on 082 433 9277 – booking and payment required to secure your place.

Kind regards
